

Lanson Place Hotel, Hong Kong 10th Anniversary Celebration

*Hong Kong's leading boutique hotel
Announces the release of "Jazz at Lanson Place" CD*

19 November 2015, Hong Kong – **Lanson Place Hotel, Hong Kong**, an icon of hospitality and cool architectural style in Causeway Bay for the past decade, is celebrating its 10th anniversary with the release of a new CD "**Jazz at Lanson Place**".

Celebrating this milestone, the hotel brought together a group of talented young Hong Kong jazz musicians to record a new CD live at the hotel's stylish *133 Lounge*. The group will return to the hotel to launch the CD with a special live performance at the anniversary celebration party today. Along with cool jazz, guests will enjoy wines from 2005, the opening year of the hotel, along with a selection of "Now and Then" photographs showing Causeway Bay and the area around Lanson Place from the 1950s to the present.

Ian Brewis, General Manager of Lanson Place Hotel said, “We have tremendous pleasure and a lot of fun, in providing the opportunity for Hong Kong’s young musical talents to record live in a unique location. They are a group of young and passionate musicians who have received the very best training here and abroad, showing their enthusiasm and commitment to their craft. We hope that this is just the first step in creating an environment to foster the further growth of budding talents in the city through our regular evening jazz jam sessions.”

Lanson Place *Club 133* will also be launched as part of the anniversary celebrations. By invitation only, *Club 133* invites local residents and business supporters of Lanson Place to enjoy the hotel’s “Guests Only” 133 Lounge, one of the best kept secrets in Causeway Bay. The lounge has always been one of the many features of the hotel that guests have said they love the most.

Ian Brewis said, “Our guests are constantly telling us how they love the familiar calm serenity, gentle evening vibe and personal service of the 133 Lounge, as though it were their own “member’s only club” tucked away in the hustle and bustle of Causeway Bay. Those now living and working locally, as *Club 133* members, can enjoy the lounge without having to stay at the hotel or be invited by a hotel guest. We are immensely proud of what we have achieved over the past decade, with one of the highest repeat guest ratio in the city. We will continue to refine our personalised service standards, whilst connecting with and giving back to the community we serve.”

In addition to the party celebrations and community events, Lanson Place is offering a special *10th Anniversary Celebration Package* including room upgrades, American Breakfast, Evening Cocktails, late check-out, and a memento gift. Guests who stay for three nights or more will also receive a complimentary half-day Hong Kong Island tour.
